Thank you for your letter dated September 17, 2004 regarding your review of the process undertaken by the Department of Justice in response to [REDACTED] request for information under the *Access to Information Protection of Privacy Act*.

We are pleased at this time, in light of your comprehensive report outlining the process we followed to ensure that both the spirit of the Act and the regulations that are provided for in the legislation, were considered, that this Department does not propose to implement any changes to its process.

It has been, and continues to be, the intent of the Department of Justice to remain as transparent to the residents of Nunavut as is practicable within the boundaries of planning and the provision of services.

Yours truly,

Anthony Saez
A/Deputy Minister
