Nunavut Information and Privacy Commissioner
File: 14-132-5

I am writing with respect to Ms. Keenan Bengts' letter of July 11, 2014 regarding your request for review with respect to your concerns about the Nunavut Health Care Household Verification Form that was sent to you from the Department of Health. I have reviewed Ms. Bengt's letter, her recommendations and accompanying conclusion.

The Department of Health will revise the "Nunavut Health Care Household Verification Form" following the Privacy and Information Commissioner's recommendations and take appropriate measures to collect information more directly from the individuals.

I apologize for the delay in my response to this matter.

Sincerely,

Hon. Monica Eil
Minister
