To Elaine Keenan Bengts:

RE: Privacy Complaint – [redacted] - File# 14-191-5

Thank you for your correspondence dated October 23, 2015 regarding your recommendations in relation to the privacy breach investigation. The Department of Education has reviewed your recommendation to include a consent option on the student enrolment form to allow schools to use parent/student personal information to contact them regarding educational programming offered outside of the regular school program.

My officials are in agreement with your recommendation and are currently working to include an appropriate consent option in our new standardized enrolment forms across the territory.

Please do not hesitate to contact me should you have additional questions.

Sincerely,

Hon. Paul Quassa
Minister of Education
Government of Nunavut
